

REMARKS

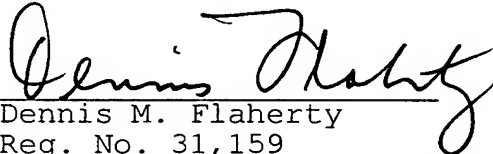

The Applicants gratefully acknowledge the allowance of claims 33-44 and the indication that claims 45-49 would be allowable if suitably amended to overcome the indefiniteness rejection.

In ¶ 2 of the office action, claims 45-49 were rejected under 35 U.S.C. § 112, second paragraph, as being indefinite. In response to this rejection, claim 45 has been amended recite "rails" in place of the objectionable phrase.

In response to the request for updated information regarding the parent application (see ¶ 3 of the action), the Applicants have amended the specification to include the number of the issued patent and its date of issuance.

Respectfully submitted,
